M'CORMICK FIRED

FIRST ASSISTANT LACKEY IN CHARGE TEMPORARILY

The Governor Thinks the Inspector's Report is Sufficient, Consequently His Discharge.

Frankfort, May 1.—Gov. Beckham has declared a vacancy in the office of Superintendent of the Hopkinsville asylum, and First Assistant Lackey is in charge temporarily.

It is said that friction between Supt. McCormick and his subordinates existed for a long time and for that reason Dr. McCormick's administration has not been as satisfactory as was expected. When the trouble first came up the state inspector was sent to Hopkinsville to make an investigation, and on his official report the governor based his action.

The board of asylum commissioners has authorized the publication of resolutions unanimously adopted by the board and sent to Governor Beckham. The resolutions state that whereas it has come to the knowledge of the board that Dr. McCormick's resignation has been requested and that charges of a grave nature had been circulated against other officers of the institution, and declare that the board believes from all the facts it has been able to gather that said charges against said E. B. McCormick are the result of a conspiracy to injure his character and compel his resignation or removal.

PAINFUL INJURY.

Wm. A. Walker, an employee of the Paducah Veneer factory, Mechanicsburg, had his left arm split open by a saw this morning.

Dr. Coyle dressed the injury, which will disable Mr. Walker for several days.

Street Inspector Will Utterback has about finished work on the city park on Fountain avenue near Madison street. The work was ordered done by the council about three weeks ago. A wire fence will be built around the park this afternoon and with this completed the park will be finished.

Yesterday afternoon the horses to a Paducah street railway wagon ran away at Second and Jefferson.

"Dago" Turner, the driver, who was thrown over the dash board, clung to the wagon tongue for several blocks and finally regained his seat. The animals were stopped at Fourth and Jefferson.

Advertisements in this paper for removal to 108 Broadway, has removed to 923 South Fourth street.

A Great Demand for Concessions for the Big Elks Carnival and Street Fair.

SHELBYVILLE'S EXCURSION

A Bicycle Parade and the First Appearance of the Riding Club in the Flower Parade.

THE ENCLOSURE IS COMPLETED

As the time approaches for opening the Elks carnival, there is a big rush for concessions. Nearly every privilege has been let, but there have been two or not more applications for each one.

The work now is largely of closing contracts.

An excursion that promises to bring a large number of people will be run from Shelbyville, Ill., at a rate of \$1.50 for the round trip. The Queen City band desires a date for that day, and may accompany the crowd.

The "Two Joes" are still out whooping 'em up for the carnival. Mr. F. L. Carson, who has been in Illinois distributing advertising matter, returned this morning.

In the list of "spielers" given yesterday the name of one of the chief and most potent of the noisy gentry was left out. Mr. H. C. Reep is the slightest speller, and his name is now given because he will be a power for the hosts to reckon with.

One of the features of the flower parade, in addition to the initial appearance of the riding club, will be a bicycle parade of boys and girls, with decorated wheels. Prizes will be offered for the best decorated, and all those who are to enter are requested to leave names at the committee headquarters on Third street.

The enclosure for the carnival is about complete. Next week the work of preparing booths will begin, and the various attractions will arrive.

Secretary A. C. Atkins is able to sit up again. His work is being attended to by Mr. Henry Nunn.

The young men composing the riding club, which is to take part in the Elks carnival flower parade, are as follows: Ben T. Frank, president; Vaughan Scott, vice president; Clyde Bell, secretary; Calhoun Rieke, treasurer; and Frank Davis, commander. Members: George DuBois, David Koger, Marshal Puryear, Edward Toof, Herbert Martin, Jesse Worten, Garth Ferguson, Robert Wallace, Will Scott, Will Rudy, Thomas Linn, Milton Wallerstein, Leo Keller, John Rogers, Ernest Caldwell, Henry Cave and Ewing Gilson.

Miss Maimie Pettit, of Princeton, will be maid of honor for the carnival from that place.

NEWSPAPER CHANGE.

Mr. George T. Harris has resigned his position on the Evening News, and will probably accept a place on the Democrat.

Mr. Arthur Bailey succeeds him on the News temporarily.

Marriage licenses were issued to Joe James and Victoria Ward, colored, both of this city, today.

CONSTABLE DECLINED.

THE COMMISSION FOR MAGISTRATE WAS RETURNED TO THE GOVERNOR.

Constable Alex Patton, who was appointed by Gov. Beckham magistrate in the Seventh district to succeed the late Justice J. H. Little, last night returned his commission to Gov. Beckham, declining to qualify. The reason was that he is the regular nominee for constable, and as Mr. Jesse Young was ordered placed on the ballot for the nomination for magistrate, instead of Justice Little, he did not deem it worth while to qualify for the few intervening months.

Mr. Young will probably be appointed by Gov. Beckham.

CIRCUIT COURT.

THE RAMSEY CASE STILL ON TRIAL THERE.

The case of Ramsey against the city of Paducah and Wm. Erler, for \$2,500 damages is still on trial in circuit court and will probably be finished today.

The judgment in the case of R. G. Caldwell, assignee, vs. Ellen Eaker and others, was today filed and settled and the case dismissed. The judgment was rendered in favor of the plaintiff and amounted to \$440.52 and costs of the court.

FULLY EXONERATED.

THERE WERE NO GROUNDS FOR A WARRANT AGAINST MR. T. B. BOWMAN.

The Omaha Daily News, in regard to the warrant issued here several days ago against Mr. T. B. Bowman, well known here and formerly local representative of Armour, says:

Chicago, April 19.—A Paducah, Ky., special to the Chronicle says: O. R. Bradford, auditor for the Armour Packing company, has secured a warrant for Thomas B. Bowman, of Omaha, who several weeks ago, resigned his position of representative with embezzling \$379. He notified the Omaha office, which afterward wired to have the warrant dismissed.

General Manager Howe, of the local Armour plant stated that Mr. Bowman has not been in the employ of the Armour company for some months and that no order had been issued from the management here for his arrest. He said that at the time Bowman severed his connection with the company all differences had been adjusted. Mr. Howe said that he knew nothing about the arrest of Bowman.

TO LOCATE IN MICHIGAN.

Mr. W. A. Henderson and family left for Metamora, Mich., their old home, today at noon to reside. Mr. Henderson has resigned his position as stock claim agent of the N. & C. & St. L. railroad, which he has held for the past seven years, and will retire from business. He has made many friends, since his residence in Paducah, who will regret to see him leave Paducah.

AT BRADFORD, TENN., WHILE ON DUTY ON AN EIGHTEEN MONTH'S LEAVE OF ABSENCE, SHOT AND KILLED A NEGRO IN SELF DEFENSE NIGHT BEFORE LAST, SAYS THE FULTON LEADER.

The negro came into Alexander's store drunk and while negotiating for some article began a dispute with the clerk who was waiting on him. In the fight which ensued the negro knocked the clerk senseless with a hoe handle which he seized. Alexander rushed to the aid of the clerk, when the negro drew a pistol and shot Alexander through the hand. Alexander pulled his gun and shot the negro dead. A coroner's jury exonerated Alexander.

WEALTH IN SIGHT

Mr. George C. Wallace Offered \$280,000 for One Piece of Land.

CONTAINS 2,800 ACRES

The Wisdom Heirs May Become Immensely Wealthy From Texas Possessions.

MESSRS. WALLACE AND CAVE THERE

It will afford the many friends of the Wisdom heirs in Paducah much pleasure to learn that they are to become very wealthy from their extensive possessions in Texas.

Mr. Geo. C. Wallace and Rev. W. E. Cave, sons-in-law of the late Mr. B. F. Wisdom, have been in Texas several days looking after their interests, and a letter received from Mr. Wallace today states that they have been offered \$280,000 for a tract of land comprising 2,800 acres, which a few months ago would have been high at \$28,000.

Their land is near the oil fields, and includes 30,000 acres or thereabout, and at a valuation estimated on the offer just made them, will be worth about \$3,000,000.

The offer of \$280,000 has not been accepted, because it is certain that a much better price can be gotten for it.

It is not known when they will return home. The discoveries in the oil fields continue every few days, and property is selling for enormous prices, and the Paducahans may be offered many times more the magnificent sum already tendered them for their property.

Mr. Wallace intended when he left to return last Saturday, but it is not known now when he will be back.
